

Vehicles

Xàtiva Advice Bureau are pleased to announce that we are now able to offer our clients the chance to purchase vehicles. We know how stressful it is when you first come over to Spain and are in a rush to find a vehicle or when your current vehicle breaks down and you decide to get a new one instead of fixing it so we decided to make it that little bit easier for you and find you the vehicles. Please feel free to have a look at the vehicles listed below and if you would like to view and/or test drive any, please call us now!!! If you do not find what you want, let us know the specifics and we can find a vehicle that meets your requirements!
